Theme of the Week

Diversity

This is a great time to talk to your child about diversity - understanding that each individual is unique, and recognizing our individual differences.

Diversity Activities:

Diversity Soup: to be done with friends and their families. Each friend talks about a family tradition that might be unique to them. Discuss how these traditions are all different and that is okay!

Egg Activity:

Talk about the differences on the outside of an egg, (color, size, etc.) Crack open the eggs and discuss how they are the same on the inside even though the outside looks different.
